

ONE UNIVERSITY

TWENTY CAMPUSES

PennState

Welcome to Penn State.

YOU DID IT. Your hard work has paid off and now it's time to decide what the next four or so years of your life will look like. And if you're anything like us, you're not willing to just wait and see what the future holds—you're ready to run it.

WE'RE READY FOR YOU.
Start planning your Penn State experience.

THE 2+2 PLAN

A benefit of becoming a Penn State student is that you'll be put on a path toward earning a globally recognized degree, no matter which campus you choose. A Penn State degree is a Penn State degree, whether you decide to start and stay at one campus or choose to transition to another campus, like University Park, for your final two years.

No matter which pathway you choose, you will have access to the same high-quality curriculum, faculty who are among the best in their fields, and experiences that will set you up for success.

ONE UNIVERSITY. 20 UNDERGRADUATE CAMPUSES.

GET TO KNOW THE VALUE OF A PENN STATE CAMPUS:

Penn State's network of twenty undergraduate campuses gives you options and access—options for the type of environment where you will study, and access to nearly all of Penn State's majors and degrees.

- 20 community settings in a variety of urban, suburban, and rural locations, including several campuses within a short drive of Philadelphia, Pittsburgh, and other major cities
- Residence halls located at select campuses; off-campus housing options within all the communities where a Penn State campus is located
- Four-year degrees at every campus
- Engaged learning opportunities capitalizing on campus partnerships with local business and industry
- Clubs, organizations, and athletic teams at all locations

AND YOU COULD SAVE MONEY: tuition savings of at least \$6,400 to upwards of \$20,000 over your first two years depending upon the campus location and housing option you choose.
